~WORKS OF ART~

In case you haven’t noticed, our senior center walls have become a showplace of beautiful artwork. Back in March our Art Studio class donated an 11-foot cello. This special work of art was originally designed to serve as a backdrop to an art show titled “Art With Strings Attached”. Read the complete history of this piece next to the cello.

In May, a collage of beautiful watercolors came to life in our café. These wonderful works of art were donated by our Tuesday Morning Art Club, first established at the center in 2001. Next time you are at the center, take a minute and look at these pieces. We have amazing talent in our center! A special “thank you” to these two classes for their generous donations!
