

Collection days are ONCE A WEEK

Important information about your Trash, Bulk, Recycling and Yard Waste collection...

- ★ One (1) time per week collection
- ★ Trash and Recycling and Bulk item on the same service day
- ★ Yard waste collection: is the day following collection of Trash/Recycling
- ★ Holiday Schedule: skips one day (See Below)
- ★ Green Carts: Single-stream recycling collection only!

Household Trash Collection

Trash will be collected once a week depending on where you live. Each household is limited to twelve (12) bags or cans of trash per collection. Collection starts at 6 am, so put trash to the curb the night before, or plan accordingly. Use plastic or metal trash cans or plastic trash bags. All Trash should be bagged, please do not put out trash in paper bags, cardboard boxes, or containers smaller than 20 gallons or larger than 32 gallons. **These cause litter!**

Holiday Schedule

If scheduled collection day is a holiday then collection will occur the next day. This will affect collection in all areas of the Township for the rest of the week. Example: Monday, Memorial Day, Monday collection will occur Tuesday, Tuesday collection on Wednesday and Thursday collection on Friday (for that week only). **Holidays:** New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Bulk Item Collection

All residents may place one (1) bulk item curbside for collection per week. These items can include furniture, carpets, appliances and tree limbs or trunks larger than 3" in diameter (cannot be longer than 36") certain restrictions apply. Carpets and padding must be cut into 3-foot widths, rolled, tied or taped. Windows, mirrors, glass panels in doors, etc., must be taped in a crisscross pattern to prevent breakage. Only 10 rolls of carpet/padding per pick up. Refrigerators, air conditioners, and humidifiers contain Freon, which is considered hazardous; you must call to schedule a pick up, **1-800-432-1616**. There is no charge for this service.

Disposal of Household Paints

Latex paint: Let paint dry in can. Adding kitty litter or a commercial drying agent will speed up the drying process. When paint is dry, double bag the can before putting it in the trash. Leaking paint will damage our trucks and stain your street.

Oil based paint: is hazardous waste and will not be collected. Call Bucks County Planning Commission **(215-345-3400)** for drop off locations and dates.

Leaf and Yard Waste Collection December 16 to March 31

Yard waste is collected the same day as trash and limited to five (5) containers. Cans may be used and plastic bags may be used only during this time.

April 1 through December 15

Unlimited yard waste will be collected and taken to a composting facility the day following collection of trash/recycling. Always use biodegradable, 30-gallon paper bags or trash containers that do not weigh more than 50 pounds when full. Yard waste in plastic bags will not be collected. Tree branches and shrubbery must be no more than 36 inches long and less than 3 inches in diameter. They must be bundled and tied, taped or put in biodegradable bags. Branches or shrubbery cannot extend over the top of the can or bag. **Christmas Tree Collection:** Christmas Trees should be placed curbside the third week in January the day after your regular pick up, to be collected as yard waste and recycled. After that Christmas Trees will be collected as a bulk item.

What You Can & Can't Recycle

Yes! Single-Stream Recycling

25 Upper Holland Road

Northampton Township
Administration Building
55 Township Road

Northampton Township
Public Works Building
65 Township Road

Note: Most grocery stores and hardware stores sell the biodegradable bags during the yard waste season.

No Hazardous Wastes!

Car batteries, gasoline, propane and helium tanks, motor oil, pesticides, oil-based paint and other toxic and hazardous materials do not belong in the trash! Call the Bucks County Planning Commission at **215-345-3400** for information on disposing of these materials. Many auto stores accept used motor oil and car batteries.

Single-Stream Recycling will be collected by a compaction truck.

Only recyclables will be on this truck on your recycling day, it cannot collect non-recyclable items.
