NORTHAMPTON TOWNSHIP FEE SCHEDULE

*Applicants must execute a Professional Services Agreement (PSA) with the Township that provides for establishing a professional services escrow account. Fees for professional consultants as defined in the Municipalities Planning Code (MPC) shall be charged to the applicant at the same hourly rate as the consultants charge the Township. This escrow account covers expenses incurred by the Township Board of Supervisors and Planning Commission and other advisory services provided to the Township for plan review. Professional services as defined by the MPC may include time spent for the services of consultants for engineering, planning, legal, site design, traffic design, landscaping, lighting or any other consulting services deemed necessary by the Township to properly examine the proposed subdivision and/or land development plan.

The professional services escrow account **must** be replenished when it is depleted to fifty percent (50%) of the original amount and further costs expected to be incurred by the Township. A ten percent (10%) administration fee will be added to all invoices.

Any unused escrow account balance will be refunded to the applicant upon written request within twelve (12) months of the final hearing. Escrow funds not returned to the applicant with the twelve (12) month period following project completion shall be forfeited to the Township.
